Transportation:

Bus transportation will be provided if needed to students transferring to RHS in 9th grade to participate in the IB program. The transportation will not be "door-to-door" but will be at a designated pick-up/drop-off point.

My student will need bus transportation to RHS in order to participate in the IB program. I understand that if my student does not ultimately enroll in IB classes, he/she will not be eligible for bus transportation as a transfer student and may have to return to their home school.

YES NO

AGREEMENT:

I understand that the RHS IB Program is challenging and that expectations are high, but I also realize that the personal, academic and organizational gains from participating in the most rigorous courses offered will be to my benefit long-range.

Are you taking a foreign language? If so, which language?

Are you fluent in any language other than English? If so, which language?

Information about you such as clubs, extracurricular and/or community activities and any other information about yourself you'd like to share:

What do you know about the International Baccalaureate program (be specific) and why you are interested in this program at Reidsville High School?

IB requires you to take challenging courses. Identify your weakest academic area(s) and explain how you plan to deal with this challenge.

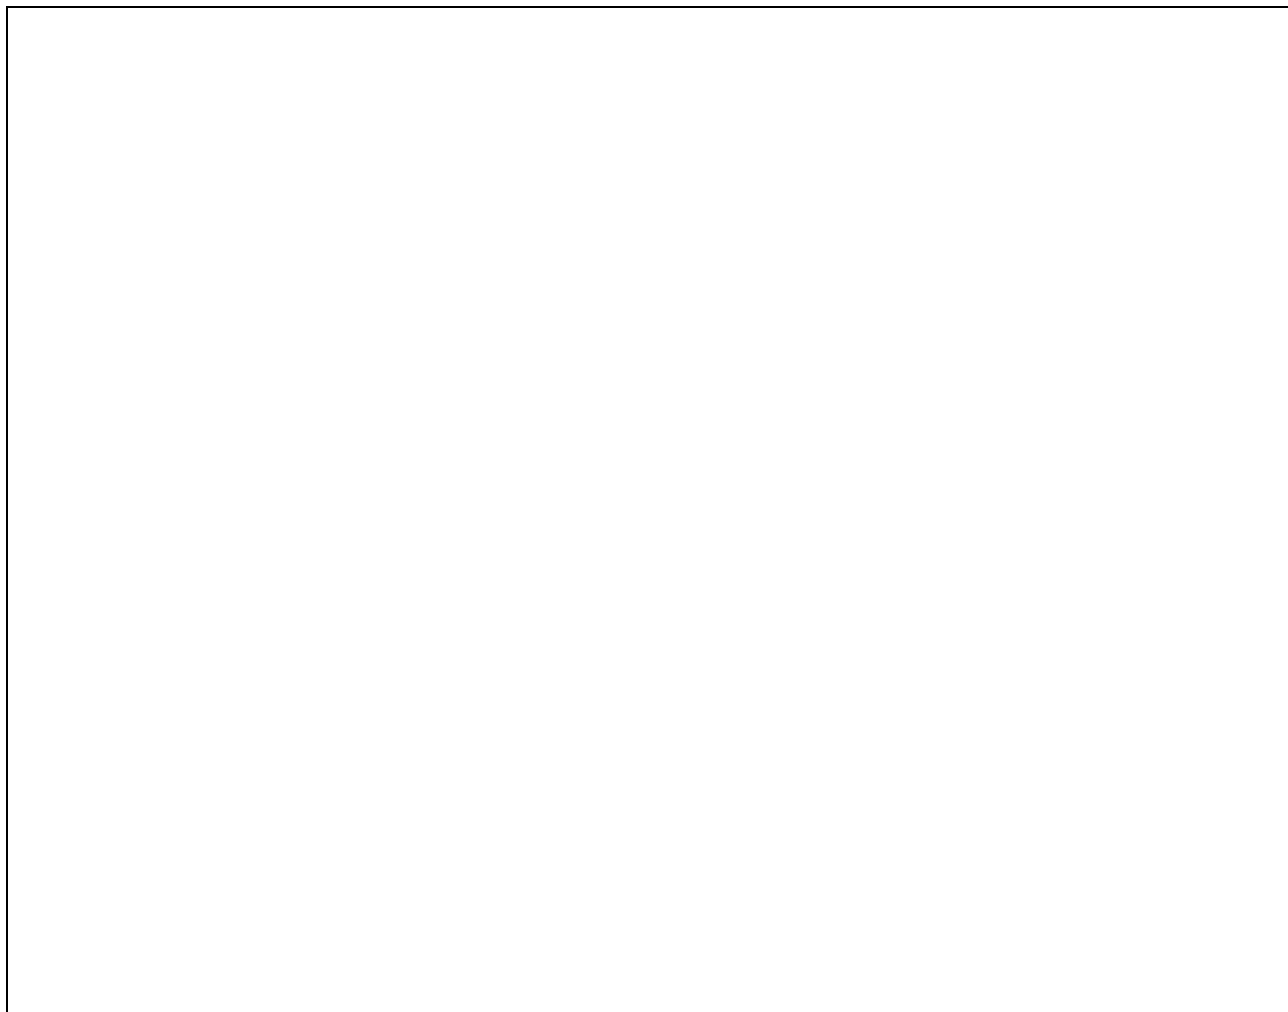

Many IB students are involved in a variety of activities. Describe how you are able to manage your time and organize your homework.

Student Essay

Select **ONE** of the following and write a well-developed essay explaining your experience(s). 250-500 words

1. How do you think the IB program will benefit you?
2. What is your greatest strength, whether it is something to do with school or your personal life?
3. Discuss something you have learned or read in school that is interesting to you and that you would like to know more about?
4. Describe and discuss a project you have initiated on your own. What was the experience like for you?
5. If you had to pick a career today, what would it be and why?

Additional IB Information:

Predictors of success in the IB program:

The following information will be gathered from your student's school records (grades 6, 7, 8) in order for us to assist you in determining future success in the RHS IB program for your student:

- End-of-Grade Test data Level 3, 4, or 5 preferred
- Grades
- Attendance
- Explore Test data
- Teacher recommendation
- Parent/student interest in the IB Program

Each student will be considered on a case-by-case basis. If any area is questionable, parents will be advised.

Preparation for the IB Program:

Students in 9th & 10th grade will follow a recommended course of study in preparation for enrollment in IB courses in their 11th & 12th grade. At least 50% of courses in 9th & 10th grades will be honors level classes including English, Science and History. Students in 9th – 12th grade will maintain a “B” average in all classes. Students will be counseled individually at the end of each grading period if grades, attendance and/or discipline become a concern.
