

## Morehead High DECA Members Win at District Competition

Morehead High School sent 27 DECA (An Association of Marketing Students) members to Burlington for District 5's Marketing Competitive Events Conference on December 2. Morehead's students competed against over 400 students from a thirteen county area. Students participated in four competitive event areas based on their career aspirations. Each student was presented with a situation likely to occur in the business world and had ten minutes to prepare her responses for the judge. Judges were area business people who volunteer their time year after year to allow the students a realistic experience in the world of business.

### The following students were winners in their particular events:

Krisna Saly - Comprehensive Exam and Top 10 Overall Series Finalist  
Hope Booth - Comprehensive Exam and Top 10 Overall Series Finalist
